Innerhalb der markierten Flächen ist beidseitig eine Punzierung anzubringen. Die Punzierung ist deutlich abzugrenzen. Die Maßpunkte am Griff dienen nur zur Orientierung, die Punzierung hat der Griffkontur zu folgen.

In the marked areas the surface has to be hammered engraved on every side. The hammered engraving has to be bordered well. The measured points at the grip are just for orientation. The hammered engraving has to follow the contour of the grip.
